Dear Sir/Ms.:

The references listed in the attached PTO Form 1449 may be material to examination of the above-identified patent application. Applicants resubmit the list of these references in compliance with their duty of disclosure pursuant to 37 CFR §§1.56 and 1.97 and in response to the Office Action of January 26, 2005. The Examiner is requested to make this citation of official record in this application. Because the listed references were first submitted on November 1, 2004 under 37 CFR §1.97(d), applicants submit that copies need not be provided.

This Information Disclosure Statement is not to be construed as a representation that a search has been made, that additional information material to the examination of this application does not exist, or that these references indeed constitute prior art.

This Information Disclosure Statement is being filed after the mailing date of the first Office Action on the merits, or after three months of the filing date of this application, whichever event occurred last, but it is believed before the mailing date of either: (i) a final action under §1.113 or (ii) a notice of allowance under §1.311, whichever occurs first.

Because this Information Disclosure Statement is a resubmission of the one which was first submitted on November 1, 2004 and the fee set forth in 37 CFR 1.17(p) was paid (a copy of the check No. 24448 for \$180.00 submitted is enclosed herewith for your reference), it is believed that no fees are due in connection with the filing of this Information Disclosure Statement.

However, if it is determined that any fees are due, the Commissioner is hereby authorized to charge such fees to Deposit Account 500388 (Order No. SUN1P252).
